

Working to End Domestic Violence and Sexual Assault

2009 Annual Holiday Giving Program . . .

How YOU can make a difference!

Ways you can help families receiving services from First Step:

- **Adopt-A-Family** – families provide needs/suggestions and donors are matched for “adoption.” Hundreds have been helped in the past thanks to your generosity!
 - Contact the Plymouth Office for more information @ 734-416-1111
- **Contribute general wish list items** – First Step could use your help in supplementing basic needs for our families, especially at this time of year!
 - See First Step’s Nov.-Dec. 2009 Wish List* for more details
 - Gift Cards for gas, groceries, and consumable goods are always appreciated
- **Provide financial support** – cash donations of any amount allow First Step to help more families; donations will be combined to help families without sponsors

THANK YOU FOR HELPING FIRST STEP MAKE A DIFFERENCE!!!
